

Dear Friend,

Thank you for your interest in supporting Camp Odayin and the **Twelfth Annual 'Have a Heart Benefit'**. We would like to give your organization the opportunity to promote your products and services, or simply make a charitable contribution through sponsorship of our event.

About Camp Odayin -Camp Odayin provides safe, fun and supportive camp experiences and community building opportunities for young people with heart disease and their families. Staffed by volunteer pediatric cardiologists, cardiac nurses and highly trained counselors, we offer parents a worry free opportunity to send their child to camp. This year we served over 500 people through our programs and anticipate continued growth in the future.

This was our first year to send Dillon to Camp Odayin, or any residential summer camp. It was such a wonderful experience for Dillon and he came home so happy and looking forward to future summers at camp. I think it was especially helpful to Dillon to know that he was not alone and that there are many other kids in the same boat with him. On August 25, just 6 days after camp he was in surgery. It was very hard for Dillon, as it was unexpected and he had not had surgery for 10 years. But it was so much easier for him because just a few days before he had been with you and the staff of Camp Odayin. He was in such a better state of mind because he had just had the "best week ever" at summer camp and knew he was not alone. I am so thankful that he was able to come to camp before all of this happened. There are no words to tell you how much we appreciate all that you do. Because of Camp Odayin, our son was more confidently able to go through a very tough situation... and to a parent that means so much! - Mother of a camper

Our camp is a non-profit organization fully funded through corporate gifts and private donations. The only charge for a camper to attend is a \$25 registration fee. Our actual costs are \$500/person to attend Resident Camp, \$250/person to attend Day Camp and \$100/person to attend Family Camp or Winter Camp.

Have a Heart Benefit- Please join us on **Saturday, February 4, 2012** at The Jeune Lune in Minneapolis. With the support of our event sponsors, we anticipate that over 400 people will attend. The evening activities include a short program involving Odayin campers and volunteers, an extensive silent auction, entertainment and more. We're also asking organizations to consider donating money and or goods/services for our silent auction.

Thank you for taking the time to learn about Camp Odayin. All contributions are greatly appreciated, tax deductible, and help in making lifetime memories for children with heart disease.

Sincerely,
The 'Have A Heart Benefit' Committee and
Sara Meslow, Executive Director / Camp Odayin

'Have a Heart Benefit' Sponsorship Form
